The old family Bible from which he received Christian teaching in his boyhood days and in which his birth, on December 16, 1866, was recorded, was a Christmas gift that surprised R. W. Breckons Wednesday morning. Since the death of his widowed mother in Pennsylvania some years ago Mr. Breckons had been unable to locate the ancient volume. It was finally located by an aunt, who sent it to his brother, William G. Breckons. It arrived here last Tuesday and was presented to the U. S. district attorney Christmas morning.

**HERE IS A REAL DYSPEPSIA CURE**

"Pape's Diapepsin" Settles Sour, Upset Stomachs in Five Minutes

Do some foods you eat hit back taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, rummy stomach? Now, Mr. or Mrs. Dyspeptic, get this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—advertisement.

The Union Sulphur Co. of New York, which controls Louisiana sulphur mines, has lately been negotiating with the Rotterdam city authorities, with a view to renting a suitable tract of ground having access to one of the harbors, upon which to erect a sulphur mill and other buildings. If satisfactory arrangements could be made the company intended to make Rotterdam its headquarters for the manufacture of sulphur for distribution throughout Europe. The company owns several vessels. An offer of a tract of land, 330 by 420 feet, with dock facilities on the Maers Haven had been made by the city, which at last accounts the company was inclined to accept. The annual rental was to be \$1200, which gives an idea of what water frontage in Honolulu will be worth after the opening of the Panama Canal.

**'54' HUDSON--a Six.**

65 miles an hour. To 59 miles an hour in 30 seconds, from standing start.

**The Two New HUDSON Cars That 48 Engineers Built**

The picked engineers from 37 European and American automobile factories combined in building the New HUDSON cars.

There are 48 experts in the organization, at the head of which is Howard E. Coffin, America's leading automobile engineer and builder of six famous cars.

Combined, these men had a hand in building more than 200,000 motor cars. No car can be greater than its engineers planned it to be. We believe mechanical perfection is more quickly and thoroughly accomplished through combining the experience and skill of many men than is ever possible if dependence is placed entirely upon one man.
